# FACTORY SALE

In All Stores Commences Saturday, Feb. 2

Store Closed Tomorrow (Friday) to Mark Down and Re-arrange Stock

"In All Departments, without fear or favor, I have lowered my low prices to the minimum. I'll let the future take care of itself. I'll sell you good, dependable, strong, sturdy, stylish Clothes for LESS THAN YOU EVER BOUGHT 'EM BEFORE IN YOUR LIFE."

I'll do this, because a sale at this time has always been my custom in the past.

I'll do this, because I know that the people need bargains now if they ever did before.

I'll put on this sale for a limited time because my customers demand it, and "The Man from Michigan" policy never disappoints.

Because it is not possible for me to discriminate between goods bought or made at the late high market price and those contracted for at a low figure, I will include everything—

High standard, staple wearables for Men, Young Men and Boys at Prices that PUT MONEY IN YOUR POCKET.

A most unusual saving opportunity, possible only through "Man From Michigan" methods.

A money saving event that will live long in the minds of my Customer Friends in Michigan."
